**The Daily Growl**

**PRINCIPALS CORNER—MRS. HUBER**

I am excited to introduce this year's first edition of The Daily Growl, as well as this year's Newspaper staff and staff editor Ms. Littlefield. They have worked hard to gather articles and ideas to put together the newspaper for you.

We would like to extend our invitation to all students to attend the Extended Learning Program where students receive academic support and instruction. ELP is Tuesday, Wednesday and Thursdays from 2:15pm-3:00pm and there are several teachers who teach ELP where students can go for all academic content support including math and English language arts.

Progress reports and deficiency notices were sent home the last week in September at mid-trimester. All students login information for the SchoolWise Gradebook program has also been sent home. If you are having difficulty logging in or need your login information please contact the school office. The first trimester ends Nov. 4<sup>th</sup> and conferences will be held the week of Nov. 14<sup>th</sup>, more information will be sent home soon regarding conferences.

Sixth grade camp was a huge success! I'd like to personally thank Mrs. Tangren, Mr. Merchant, Ms. West and Mr. Nielsen for all their hard work planning, preparing for, and facilitating camp. The week spent at Eagle Lake was a memorable learning experience for all of our 6<sup>th</sup> graders.

On Monday Oct. 17<sup>th</sup> the 8<sup>th</sup> grade class traveled to Reno to visit UNR and tour the college. It was a great trip and the students enjoyed the day. They have been working hard in class writing to various colleges and it was an opportunity to see a big university first hand.

We continue to be busy here at Diamond View as our students are all involved in a variety of projects and learning experiences. It's a great day to be a Panther!

# 6th. Grade Camp

By, Keely Bosse & Abby Faiferlick

Sixth grade core classes went to Outdoor Education 6th Grade Camp Oct. 3-7. Some of the activities included: trapping rodents with catch and release traps, many hikes, bird watching, stargazing, a sandcastle competition, performing skits and singing songs around the campfire.

Many students said their favorite part of camp was watching the skits and eating the delicious food prepared by Mr. Merchant!

Everyone we asked said their overall experience at camp was *remarkable*, and that they would love to be a T. A. at next years camp.

Being a 6th. Grade Camp T.A.

By, Arianna Parker

6th. Grade camp was amazing! The Teachers did a great job putting it on. Being a T.A. was a big responsibility, helping in the kitchen or where ever help was needed.

6th Grade Camp was fun, educational, and I hope that the next group of 6th graders and T.A.'s have the same experience!

Congratulations Spirit Point Winners:

## 8th. Grade Visits the University of Nevada, Reno

By, Chandra Kuartei, Ana Soto & Jaeleah HisBadHorse

On October 17, 8th. Graders had a trip to UNR. The bus ride was fun-lots of time to socialize.

Once there we visited the UNR SHOP where everyone bought cool souvenirs!

Student Tour Guides led our groups on a 1 hour tour of the really big campus.

After the tour we visited the

Underground Café where it was hard to decide what to eat- there were so many choices. Everyone loved the ice cream machine and had seconds.

After the really delicious lunch the bus took us to the Grand Sierra Resort to bowl. We had a really good time!

The trip to UNR was fun and interesting and we can't wait for the next one!

YEARBOOKS go on sale Nov. 1st!

## 7th. Grade Career Day

By, Elizabeth Spitsen, Marissa Mojarra & Draven Neal

Seventh grade students from all over Lassen County came to Diamond View on Friday, October 7.

Many business and organizations set up booths, brought quipment, and even animals to the Diamond View campus..

All of this is in an effort to help students find which career fits them best. Presenters shared what they do, and how to

be qualified for that career opportunity. There were representatives from police, fire, construction, L.M.U.D., Cal-Trans, welders, and many others. Many of the booths had fun giveaways and samples. Career Day was a great opportunity for students and a fun day!

## New Feature: Kid friendly Recipes

### Trick-or-Treat Pizza Biscuits

1 can (8 biscuits) refrigerated jumbo biscuits  
3 tablespoons prepared pizza sauce  
Assorted pizza toppings: cooked crumbled Italian sausage, pepperoni slices, sliced mushrooms and/or black olives  
½ cup (2 ounces) shredded pizza-blend or mozzarella cheese  
1 egg yolk  
1 teaspoon water  
Assorted food colorings

1. Preheat oven to 375°F.
2. Press 4 biscuits into 4-inch rounds on ungreased baking sheet. Spread center of each biscuit with about 2 teaspoons pizza sauce. Place 4 to 5 pepperoni slices on each biscuit; top with 2 tablespoons cheese. Press remaining 4 biscuits into 4-inch rounds and place over cheese; press edges together to seal. Press design into top of each biscuit with Halloween cookie cutter, being careful not to cut all the way through top biscuit.
3. Combine egg yolk and water in small bowl. Divide yolk mixture among several small bowls. Tint each with food colorings. Decorate Halloween imprints with egg yolk paints using small, clean craft paintbrushes. Bake 12 to 15 minutes or until biscuits are golden brown at edges.  
*Makes 4 servings*

**Note:** This recipe tastes best when made with regular biscuits instead of butter-flavored biscuits.
